### Introduction

Our institution is committed to providing a high-quality education and training programme for students pursuing a degree in circus and physical theatre. Our quality policy is designed to ensure that the programme meets the highest academic standards, and that our students receive the skills and knowledge necessary to succeed in their chosen career paths. We are committed to maintaining the highest academic standards, providing comprehensive support services to our students, and continuously improving our programme to ensure that it remains relevant and effective.

### Curriculum and Instruction

Our degree programme in circus and physical theatre is built upon a rigorous and comprehensive curriculum that is regularly reviewed and updated to reflect current best practices in the field. Our teaching team are highly qualified, experienced professionals who are committed to providing students with the highest quality instruction and training. They are encouraged to engage in ongoing professional development to ensure that their teaching methods and techniques are innovative and effective.

## Student Support

We recognize that each student comes to us with unique strengths, challenges, and aspirations. Therefore, we provide comprehensive support services to ensure that all students have the resources they need to succeed academically, personally, and professionally. These services include academic advising, career guidance, financial aid advice, and access to health and wellness resources.

## Assessment and Evaluation

We regularly assess the effectiveness of our programme in achieving its goals and objectives. We use a variety of methods to evaluate student learning outcomes, including course evaluations, skills assessments, module pass rates and degree achievements as well as performance evaluations. We use this data to continuously improve our programme, and to ensure that our graduates are well-prepared to succeed in their chosen career paths.

## Continuous Improvements

Our institution is committed to a culture of continuous improvement. We regularly review and assess our programme, and use feedback from students, faculty, external examiners, and industry professionals to identify areas for improvement. We are committed to implementing changes that will enhance the quality and effectiveness of our programme, and to maintaining our position as a leader in circus education.

## Accreditation

Our programme is accredited by Bath Spa University to ensure that our degree meets or exceeds the academic standards of the field. This accreditation process includes rigorous evaluation of our curriculum, faculty, student support services, assessment and evaluation processes, and overall effectiveness of our programme.

## Conclusion

We participate fully in the quality assurance and improvement activities and follow the quality policies and procedures mandated by Bath Spa University and Pearson's as part of our partnership agreements.
